Washer & Dryer Winners!

DAVE McRORIE PRESENTS THE WASHER & DRYER TO THE MULLIN'S FAMILY!

We recently had the drawing for the **FRONT LOADING WASHER & DRYER** for 2010.

The winner was **Francis Mullins** of **Las Vegas, Nevada**. Francis works for Macy's Department Store and her son – Jose (pictured 2nd from the right) works as an EMT. When Mike called to congratulate her on winning she was driving in her car and was in such disbelief and was so excited that she almost got in a wreck! She had to finally pull over to the side of the road to calm down! Francis was a Registration appointment from **Stephanie Goins** from Mike & Cindy Whitworth's office.

Francis and her son came down to the Main event and was presented her brand new Washer & Dryer by Rexair Staff Member, Dave McRorie. We are happy that such a wonderful family could benefit from this giveaway!

CONGRATULATIONS AGAIN TO FRANCIS MULLINS!
